Hi Jennifer – I have confirmed this morning that Kristi Parker-Celico will be able to facilitate the September CAG meeting on the Lincoln Park site under the CSRA contract which is in the process of closing down. Her work will continue under the new contract with ERG in October when that contract is fully up and running.

You are good to go on this one! - Maureen

Hi Maureen. Do you know anything about the status of Kristi Parker Celico as facilitator at Lincoln Park? Is her contract good to go like Joe McMahon's at VB/I-70? We have a Sept. 19 CAG meeting at Lincoln Park, so just wanting to make sure....
